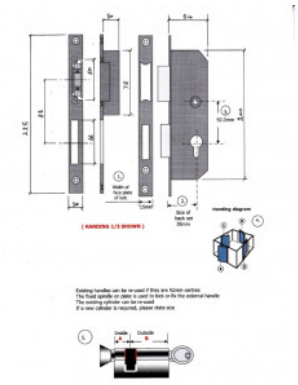
UPVC-KIT-R-SAF



UPVC DOOR LOCKING PACKAGE RIGHT HANDED FAIL SAFE 12VDC

By replacing the existing lock case the latch works with the electric release through the access control or door entry system. The deadbolt can be thrown by use of key or thumbturn to provide additional security out of normal hours.

FEATURES

- Includes lock case, half spindle and external locking handle.
- Fail safe
- Right Handed

TECHNICAL INFORMATION

- Existing handles can be re-used if they are 92mm centres
